The triumphant return of G.I. JOE begins on Hasbro Pulse with exclusive collector's edition Snake Eyes Deluxe Action Figure, the first time the iconic character has been depicted in 6-inch scale. JOE ninja into the modern era. In addition to multiple points of articulation that make it highly poseable, the figure comes with an exclusive Arashikage Ninja Clan-inspired gear storage rack that features premium detailing and can be loaded up with included accessories such as the character's signature katana, sheath, and multiple other pieces of ninja gear. This Snake Eyes figure also comes in exclusive packaging for Hasbro Pulse, featuring foil effects and original artwork from Tracie Ching.
