In this role, Mr. Frascotti will continue to lead Hasbro's product design and development, global marketing, digital gaming, entertainment and consumer products initiatives.

"John's strategic vision and consumer-centric approach to our brands and our business, combined with his authentic leadership style, has played a pivotal role in our evolution from a traditional toy and game company to a global play and entertainment leader," said Mr. Goldner. "He has been a critical member of our senior management team for nearly 10 years and I look forward to continuing to work alongside him as we, together with our leadership and teams around the world, take Hasbro to new levels of success into the future."

Mr. Frascotti joined Hasbro in 2008 as Chief Marketing Officer and in 2014 became President of Hasbro Brands. During his tenure, he has played a critical role in the re-imagination and re-invention of Hasbro's world-class portfolio of brands including TRANSFORMERS, NERF, MY LITTLE PONY, MONOPOLY, MAGIC: THE GATHERING and PLAY-DOH, in addition to numerous other brands in the company's portfolio. His experience in brand building, brand marketing, digital marketing, and entertainment to has contributed to expanding the reach of these brands globally.

"I am humbled and honored to take on the role of President of this phenomenal company," said Mr. Frascotti. "I believe the strength of our brands and the quality of our teams around the world is unparalleled and there remains enormous potential in both to drive further momentum in our business and develop our brands across platforms to meet the evolving needs of our global consumers."

Before joining Hasbro, Mr. Frascotti served in several senior executive positions at Reebok International Ltd. including Senior Vice President of the Sport Division where he managed the company's largest global business segment.

He is also a member of the Board of Directors of Corus Entertainment in Toronto, Canada, and was recognized by Forbes Magazine as one of top 5 most influential CMO's
