SHOWTIME® will premiere its news survival drama YELLOWJACKETS on Sunday, November 14 at 10pm ET/PT. Created and executive produced by Ashley Lyle and Bart Nickerson (Narcos), the 10-episode, one-hour drama series starring Melanie Lynskey (Castle Rock), Oscar® and Emmy® nominee Juliette Lewis (Camping), Emmy nominee Christina Ricci (Z: The Beginning of Everything) and Tawny Cypress (Unforgettable) is currently in production in Vancouver. The announcement was made today by Gary Levine and Jana Winograde, Presidents of Entertainment, Showtime Networks Inc. Watch the official trailer [here](#).

Equal parts survival epic, psychological horror story and coming-of-age drama, *YELLOWJACKETS* is the saga of a team of wildly talented high school girls soccer players who become the (un)lucky survivors of a plane crash deep in the remote northern wilderness. The series chronicles their descent from a complicated but thriving team to savage clans, while also tracking the lives they've attempted to piece back together nearly 25 years later, proving that the past is never really past and what began out in the wilderness is far from over.

The series also stars Ella Purnell (*Sweetbitter*), Samantha Hanratty (*SHAMELESS*), Sophie Thatcher (*Prospect*), Sophie Nélisse (*The Book Thief*), Steven Krueger (*The Originals*), Jasmin Savoy Brown (*The Leftovers*) and Warren Kole (*Shades of Blue*). Produced for SHOWTIME by studio Entertainment One (eOne), Jonathan Lisco (*Animal Kingdom*, *Halt and Catch Fire*) joins Lyle and Nickerson as executive producer and showrunning partner. Karyn Kusama (*Destroyer*, *Girlfight*) executive produces and directed the pilot. Drew Comins of Creative Engine also serves as executive producer.
