

Watch the First Star Wars Mission Fleet Animated Short

February 9, 2021

The epic shorts celebrate some of the most iconic characters and vehicles in the galaxy.

This month, watch three Star Wars Mission Fleet animated shorts on the [Star Wars Kids YouTube](#) page. These epic shorts celebrate some of the most iconic characters and vehicles in the galaxy, blasting off toward new adventures and learning valuable lessons with every mission completed.

The series kicks off with the first animated short called [Even a Mandalorian Needs Help](#). The story follows The Mandalorian, with the help of the Child and a surprise ally, as he learns that even a proud warrior needs backup sometimes.

Keep your eye out in the coming weeks for the next two shorts; *Don't Get Cocky Kid* and *It's Not Wise To Let Your Guard Down* featuring even more favorite characters and iconic vehicles.

This is the way!
