

Wizards of the Coast Raises Over 1.6 Million for Extra Life

November 20, 2020

For the 8th year, Wizards of the Coast employees came together for an incredible cause: **Children's Miracle Network Hospitals**, as part of **Extra Life**.

Extra Life unites thousands of gamers to fundraise for Children's Miracle Network Hospitals across North America. Driven by passionate employees dedicated to giving back, and supported by the **Magic: The Gathering** and **Dungeons & Dragons** gaming communities, the team raised over **\$1.6 Million** for local Children's Miracle Network Hospitals this year.

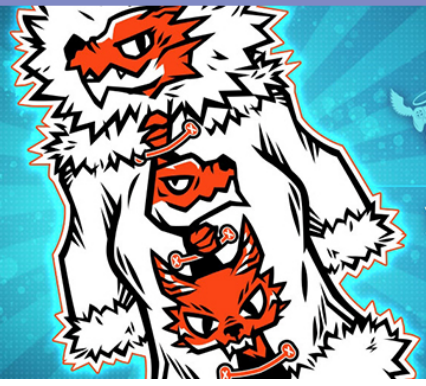

Fans joined in on Twitch livestreams to watch several Magic: The Gathering livestream events such as **Magic: The Gathering Arena** stipulation drafts, a Q&A with Head Designer **Mark Rosewater**, mini Magic: The Gathering Arena Ironroot Chef, and more. Donations to Extra Life were also supported by purchasing Magic: The Gathering products like the **Secret Lair: Extra Life** card set, Magic: The Gathering Arena sleeves, eBay auctions, Extra Life apparel, and direct donations.

Dungeons & Dragons also launched several initiatives to benefit Extra Life this year, including donating all ticket sales from **D&D Celebration**, its major livestreamed event of the year. In addition, special apparel designed by **Art Director Emi Tanji**, auctions of editorial book galleys, partnerships with **Humble Bundle**, as well as several grassroots community initiatives through the year and of course generous fundraising from our player community, all helped raise **\$520k** year to date. So far, 2020 has seen the highest amount **ever raised** by the **D&D Extra Life** team.

Thank you to all in the Wizards of the Coast community who helped contribute and raise money for Extra Life 2020!
