

### Hasbro Toy Recycling Wins Gold Play for Change Award

September 30, 2020

Hasbro's Toy Recycling won a Gold Play for Change Award in the environmental sustainability category at the Toy Industries of Europe (TIE) Play for Change Awards.

Toy Industries of Europe (TIE) is the voice of the reputable toy manufacturers in Europe and the Play for Change Awards focus on toys and practices that help kids confidently navigate the world around them in ways that show respect for themselves, for others and for our planet.

2020 marks the first edition of the Play for Change Awards and celebrates toymakers that innovate for good to drive further positive change in the toy industry.
