August 17, 2020

Comicbook.com exclusively revealed a first look at BOOM! Studios' officially licensed Power Rangers comic, **Drakkon New Dawn**.

A new era kicked off in **Power Rangers: Ranger Slayer**, putting the fan-favorite character in a new role as leader of both Drakkon's old forces and the Coinless. While the future is bright for this new alliance, not everyone is falling in line, and in many places, there is still a long way to go to find peace. That's where we find ourselves in the first issue of Power Rangers: Drakkon New Dawn.

Power Rangers: Drakkon New Dawn #1 hits comic stores on August 19th.*

You can check out the exclusive first look at the highly anticipated miniseries by writer Anthony Burch, artist Simone Ragazzoni, colorist Raul Angulo, and letterer Ed Dukeshire [here](#).
