

Back HasLab's X-Men Legends Marvel's Sentinel

23 Jul, 2020

Hasbro Pulse has unveiled the latest HasLab crowdfunding campaign for **X-Men Legends Marvel's Sentinel**. Unveiled during [Marvel's Fan First Friday livestream](#), the latest HasLab project aims to bring the large-scale **X-Men Legends Marvel's Sentinel** to life. Standing at 26.3-inches with two 18-inch tentacle accessories, the Sentinel will be the largest Marvel Legends figure to date and has **72 points of articulation in total!**

Fans and collectors can support this campaign and place their pre-orders until August 24, 2020 at 11:59 PM EST. The campaign already reached the minimum goal of 6,000 backers in just over 24-hours and unlocked all three tiers.

For more details and to get in on the action and pre-order Sentinel, click on over to [Hasbro Pulse](#) (for residents of the US and Canada only age 16+).
