

Ikorla: Lair of Behemoths Makes Magic: The Gathering History

12 May, 2020

Magic: The Gathering's latest set, *Ikorla: Lair of Behemoths* is creating a huge buzz. With 28M views in the first 3 days, Ikorla's cinematic trailer set a new viewership record in Magic's history.

On the treacherous world of Ikorla, gargantuan beasts fight for survival while humans hide at the bottom of the food chain—forever in fear of the creatures beyond the walls and the human traitors known as "bonders" who believe the monsters are misunderstood.

Will you fight the behemoths at your door, or fight alongside them? *Ikorla: Lair of Behemoths* available to play now on Magic: The Gathering Arena and Magic Online and will be released in-store on May 15

You can watch the trailer [here](#).
