

A Little Music Motivation from eOne

07 Apr, 2020

Focusing on music and its power to inspire, motivate and bring us joy was on the minds of eOne's **Chris Taylor** (Global President, Music), **Chris Moncada** (SVP, Alternative, Music & General Manager, Last Gang) and **Scott Givens** (SVP, Rock & Metal, Music) as they put together some high octane playlists to help us get through working from home. (And if you are into heavy metal, you can read Scott's Givens recent interview with industry-leading trade magazine, [Kerrang!](#))

And don't forget – share your playlists with family and friends. We're all in this together.
