

eOne's Newest Series Makes Netflix See Red!

22 Mar, 2020

Netflix has picked up US and international rights to eOne's upcoming horror drama for BBC, *Red Rose*.

Created by Michael and Paul Clarkson (*His Dark Materials*), the series is produced by eOne and *Sex Education* producer Eleven. It follows a group of British students who are forced to take on a supernatural entity after downloading a sinister app.

Red Rose is executive produced by Joel Wilson and Jamie Campbell for Eleven, Polly Williams for eOne and Mona Qureshi for the BBC. Olivia Trench will co-executive produce for Eleven.
