

**And the award goes to...**

...eOne! The Film team puts in the work and brings home some serious hardware.

eOne is really starting to love Awards Season.

From the Golden Globes to the Indie Spirit Awards, eOne films continue to make very big splashes. Most recently, that's meant two wins at the Independent Spirit Awards, nine wins at the British Academy of Film and Television Awards (BAFTA) and five more wins at the Oscars.

Realizing these successes comes down to two elements – great stories well told, and a tireless team that ensures the world knows about them. This year, the likes of 1917, Judy, Bombshell and Booksmart led the way for eOne. Teams around the world mounted PR campaigns, special events, premieres and more to get those films into the minds of voters.
