

## Ponies: The Galloping Raises Over \$750k for Extra Life Charity

January 16, 2020

Wizards of the Coast recently announced that the 2019 crossover project, Ponies: The Galloping, helped raise over \$780K toward Extra Life for Children's Miracle Network hospitals.

One of the items that helped this campaign was a card set that featured three silver-bordered Magic cards (one double-sided!) with some of our iconic My Little Pony characters, Rarity, Twilight Sparkle and Nightmare Moon/Princess Luna. Alongside the card set were My Little Pony digital card sleeves on Magic Arena and playmats from UltraPRO.
