

Hasbro Named to Seramount's 2022 100 Best Companies and 100 Best Companies for Dads Lists

September 20, 2022

We are excited to share that Hasbro has been included in Seramount's 2022 list of 100 Best Companies and 100 Best Companies for Dads, marking the latest recognition for Hasbro as being one of the best companies for working parents, candidates and families.

Seramount is a strategic professional services firm dedicated to advancing diversity, equity and inclusion in the workplace. The 2022 Seramount 100 Best Companies and 100 Best Companies for Dads applications include more than 400 questions related to leave policies, benefits, childcare, flexibility and more.

At Hasbro, we know how important it is to help our employees balance their work and life commitments, and are proud to offer an inclusive, flexible workplace and culture that celebrates and supports working parents with the tools they need to be successful.

As part of this honor, Hasbro was given the opportunity to nominate two "Working Parents of the Year." Our Diversity, Equity and Inclusion team selected Michael Lombardo, President of Global Television for Africa, and Mark Whiting, Design Manager for Worlds of the Coast, as Hasbro's 2022 Working Parents of the Year.

Michael joined Hasbro's eClerk team in 2022 and has been advancing a successful career in the Entertainment industry with the role of being a dad for nearly two decades. He lives in Los Angeles with his husband Barry, daughter Jade and son John. Mark is a worldbuilder for Worlds of the Coast and has been managing recruiting as a new manager and a new mom simultaneously – two jobs that are super challenging, stressful and competitive. Mark lives in Seattle with his husband Greg and 22-month-old son Ash.

We celebrate and thank Michael, Mark and all our working parents at Hasbro for their efforts in driving our business forward. Michael and Mark will be honored at Seramount's [Diversity Summit](#) on October 26th in New York City.
