**London, ENG (September 5, 2024)** - Outright Games, the leading publisher of family-friendly interactive entertainment, in collaboration with Hasbro, a leading toy and game company, is excited to reveal a brand-new character reveal trailer for the upcoming video game, *TRANSFORMERS: Galactic Trials*. *TRANSFORMERS: Galactic Trials* finds players on a mission to recover the powerful Prime Relics from the evil Nemesis Prime in this fast-paced rogue-lite racing game, inspired by the iconic *TRANSFORMERS* franchise, and developed by 3DClouds.

The new trailer showcases all 11 playable characters including Autobots Optimus Prime, Bumblebee, Elita-1, Wheeljack, and Arcee, along with Decepticons Megatron, Shockwave, Flamewar, Soundwave, Nightbird, and Nemesis Prime. Fans will begin the game playing as iconic characters Optimus Prime, Bumblebee, and Megatron, and will unlock additional characters as they progress. Each character comes equipped with two unique skills and a range of eight powerful weapons to customise each race. In the trailer, fans can get a first look of the power of Optimus Prime's gravitational axe throw, Bumblebee's plasma stings, Elita-1's Missile Rain, and Wheeljack's wrecking bomb.

*TRANSFORMERS: Galactic Trials* finds the Autobots and Decepticons on an important mission to recover the Prime Relics, which grants significant power to those who hold them and have been stolen by Nemesis Prime. Battling and racing their way through the single-player *Galactic Trials* game mode, players will uncover relics to enhance their speed, damage, and handling. To shift gears and test their driving skills against a friend, *TRANSFORMERS* fans can compete in the game's Arcade Mode equipped with local multiplayer for up to two people.

"We're pleased to be giving fans a brand-new look at *TRANSFORMERS: Galactic Trials*, and we can't wait for them to experience the action-packed combat and high-speed races waiting for them in game," said Stephanie Malham, Managing Director at Outright Games. "Working with Hasbro on a *TRANSFORMERS* rogue-lite racing game has been an incredible experience and we hope *TRANSFORMERS* fans of all ages enjoy this unique hybrid game."

"It's been an exciting year for *TRANSFORMERS* as we continue our 40<sup>th</sup> anniversary celebrations, and we can't wait for the game's official release and players' reactions this October," said Eugene Evans, SVP Digital Strategy and Licensing at Wizards of the Coast and Hasbro. "The game's hybrid action racing and rogue-like combat offers something unique for new and longtime fans, which is a testament to our strong collaboration with the talented team at Outright Games and our mission to continue expanding Hasbro's lineup of digital offerings through strategic licensing and internal development."

Since its launch as a toy line in 1984, *TRANSFORMERS* has become a global phenomenon, expanding to further depict the epic battle between the Autobots and Decepticons across film, television, digital media, comic books, and more. In the 40 years since the *TRANSFORMERS* franchise first launched, the powerhouse IP has subsequently established itself as a household name and iconic entertainment brand. This cross-generation appeal has continued to develop with over 11 feature films, including the upcoming animated feature film, *TRANSFORMERS: One*, and several *TRANSFORMERS* video games.

*TRANSFORMERS: Galactic Trials* will be available to play on PlayStation 4®, PlayStation 5®, Nintendo Switch™, Xbox One, Xbox Series X|S, and Steam on 11th October 2024.

### **About 3D Clouds Srt:**

For some years 3DClouds has specialized in creating video games thanks to a team of veterans from the industry, with experience in Microsoft, Milestone and Ubisoft, and a team of young and enthusiastic talents. 3DClouds debut videogame All-Star Fruit Racing released in 2018 was a kart racer available on PC, PlayStation 4, Xbox One and Switch. The following year 2019 turned out to be a very big year for 3DClouds with three separate titles released. Xenon Racer, our second game was released in the spring showcasing another example of design innovation within the racing video games genre. In November "Race With Ryan" a second kart racing game was released which we developed for the most famous youtuber channel in the world, Ryan's Toy Reviews. Closing out on a busy 2019 we also released CARRUMBLE, a completely new take on the brawler genre. 2021 will mark the release of the highly anticipated pirate game King of Seas, an action role playing game set in a procedural pirate world.
