Get ready for giggles, oinks and endless entertainment with Peppa, George, Mummy Pig, and Daddy Pig!

The **World of Peppa Pig**, an all-in-one app where kids and parents can explore the world of their favorite show through puzzles, mini-games, coloring books and more, is coming to Netflix in June.

From spot-the-difference and interactive mini games to coloring books, dress-up games and memory challenges, the *World of Peppa Pig* offers a treasure trove of creative fun and educational activities for kids and parents alike.

*Peppa Pig*, the iconic British preschool series, has been loved and enjoyed by both parents and kids for over 20 years and adds to Netflix's robust lineup of children's series, films and games that kids and parents watch and play together. On the same day as the global app release, new episodes of *Peppa Pig* will be available to stream on Netflix in the US.

Nearly [15 percent](#) of all viewing on Netflix comes from the kids and family genre. The addition of the *World of Peppa Pig* app and the new season underscores Netflix's commitment to offering a fun and engaging preschool lineup. Our youngest viewers can play, laugh and learn with familiar favorites like [Ms. Rachel](#), [Gabby's Dollhouse](#), [CoComelon Lane](#), [Blippi](#), [Hot Wheels Let's Race](#), [StoryBots](#), and many more!

So, grab your muddy puddle boots and get ready for a whirlwind of fun with Peppa and all her friends!
