

Hasbro recognized as a 2026 Platinum Employer for Employee Growth

26 Jun, 2026

Hasbro is proud to be recognized by Where You Work Matters as a 2026 Platinum Employer for Employee Growth!

The Where You Work Matters list is compiled by the American Opportunity Index, which aims to assess how well America's largest companies attract and support talent through categories such as employee stability, early career success, employee growth, and overall employee satisfaction.

This recognition reflects the creativity, curiosity, and collaboration that define our culture every day. We know that play sparks imagination, strengthens connection, and helps people do their best work. When we bring that mindset to how we support one another, we create even more opportunities to lead and thrive.

Congratulations to our entire team at Hasbro!
