But there's a catch – the electronic speech interrupter unit randomly determines when players can speak ... or not! The team with the most cards collected at the end of the game wins! The SPEAK OUT SHOWDOWN game includes 6 mouthpieces (3 kid-sized and 3 adult-sized), 200 double-sided game cards, and an electronic speech interrupter unit. Requires 3 AA batteries, not included. CAUGHT ON TAPE Game

(HASBRO/ Ages 12 years & up/ Players: 2+/ Approx. Retail Price: \$19.99/ Available: Spring 2018)

Don't get caught in a sticky situation! In the hilarious CAUGHT ON TAPE game, players will pull a piece of tape to spin the randomizer, which will combine two words into a unique category for the round. Players then take turns quickly shouting out terms that fit within categories such as irritating celebrities or embarrassing hobbies. If a player draws a blank or takes too long to answer, the opponent gets to place a piece of tape on their face! Families and friends will laugh out loud as players get covered in tape, stretched lips, wacky eyebrows, and more! The first player with 5 pieces of tape on their face loses the game! The CAUGHT ON TAPE game includes all-in-one category randomizing tape dispenser, 3 rolls of game tape, and instructions. Available at select retailers and HasbroToyShop.com

SPEECH BREAKER Game

(HASBRO/ Ages 14 years & up/ Players: 4-10/ Approx. Retail Price: 19.99/ Available: Fall 2018)

Can you overcome the voice-jamming challenge? You're reporting live from the scene! Put on the game headset, talk into the game microphone, and get your teammates to guess who/what/where without saying any of the words on the cards. What's the catch? The microphone jams your speech with a built-in delay. As you talk, you'll hear your delayed voice through the game headset, making it harder to speak clearly. For example, how would you report that "an Alien is Swinging Kettlebells in a Glass House" without saying any of those words – and in just 30 seconds – with your speech jammed? Three "AA" batteries required. Available at most major retailers nationwide and HasbroToyShop.com.

AWKWARD HUGS Game

(HASBRO/ Ages 16 years & up/ Players: 4+/ Approx. Retail Price: 19.99/ Available: Fall 2018)

The game of connections, questions, and consequences! Two players are locked in a hug by the included hug belts, and another player asks questions like "Would you swim with sharks?" or "Are you a binge watcher?" Both huggers must answer the same way or they'll get a hilarious consequence card such as slow dancing, or standing like a flamingo. Match 3 questions correctly to unlock the hug. Includes 2 Hug belts, 2 keys, deck of Questions cards, deck of Consequences cards, and game guide. Available at most major retailers nationwide and HasbroToyShop.com.
